Procedure Code and Modifier(s) Combination on Claim and TAR Must Match

Effective for dates of service on or after March 1, 2006, the procedure code and modifier(s) combination on the claim submitted must match the procedure code and modifier(s) combination authorized on the *Treatment Authorization Request* (TAR). Failure to do so may result in denial of the claim.

Note: All current policies regarding the placement or order of modifiers on the claim and/or TAR remain the same.

837 v.4010A1 Electronic Claims with Attachments Now Available

Providers now have the ability to submit 837 v.4010A1 electronic claim submissions with attachments by either faxing the attachments or sending them electronically through an approved

third-party vendor.

To utilize this new process, providers must be authorized to bill 837 v.4010A1 electronic claims. The fax process includes an *Attachment Control Form* (ACF), which is used as a coversheet for the supporting fax attachments. The ACF has a pre-printed Attachment Control Number (ACN) that submitters input on their electronic claim submission in the PWK segment. Providers submit the electronic claim, then fax the ACF and the attachments to Medi-Cal. Each ACF and corresponding attachments require a separate fax call. Each call to the fax server must include only one ACF as the first page followed by the attachment pages that correspond to that ACF. The phone number to fax attachments is 1-866-438-9377.

The electronic process involves approved third-party vendors that preprocess the attachments and send the images electronically on the provider's behalf. Medi-Cal links the faxed or electronic attachments to the appropriate electronic claim.

Providers have a maximum of 30 calendar days from the date of claim submission to submit the supporting faxed or electronic attachments. For further information regarding attachment submissions, please refer to the *Billing Instructions* section of the *837 Version 4010A1 Health Care Claim Companion Guide* on the Medi-Cal Web site (www.medi-cal.ca.gov) by clicking the "HIPAA" link on the home page, then the "ASC X12N Version 4010A1 Companion Guides and NCPDP Technical Specifications" link and then the "Billing Instructions" link.
